

FMCSA GRANTS

BEFORE YOU APPLY

U.S. Department of Transportation
Federal Motor Carrier Safety Administration

FMCSA offers grants to different types of organizations working on commercial motor vehicle safety activities.

Have you reviewed FMCSA's grant opportunities (<https://ai.fmcsa.dot.gov/Grants/Default.aspx>) and determined that your organization is a good candidate? There are several steps to take before applying. It is recommended that you begin this process at least six to eight weeks before the grant application deadline.

1 Obtain a Unique Identifier

To receive federal grants, your organization must obtain a unique identifier. In April 2022, the government will transition from using the nine-character Data Universal Numbering System (DUNS) Number as its unique identifier system to the 12-character alphanumeric Unique Entity Identifier (UEI) system.

If you'll be applying for a grant before April 4, 2022:

- Register on the Dun & Bradstreet website (<https://fedgov.dnb.com/webform/index.jsp>) or call 1-866-705-5711.
- Your DUNS number will be processed and assigned in one to two business days after registration.

If you'll be applying for a grant after April 4, 2022, or if your organization has already been assigned a DUNS Number:

- Move on to Step 2; your UEI will be assigned when you register with the System for Award Management.

2 Register in the System for Award Management

The System for Award Management, or SAM, is a web-based, government-wide application that collects information related to awards and grants for all federal partners. Your organization must register with SAM for FMCSA to track your application.

- Register on the SAM website (<https://sam.gov/content/home>) and use your organization's Employer Identification Number (or EIN, a federal tax identification number).
- SAM requires annual registration renewal, even if your organization uses the same DUNS Number or UEI from year to year.
- A **notarized letter** appointing the authorized administrator for your account is needed before SAM registration can be activated or renewed.

- Registration in SAM.gov can take **up to 15 business days**.

For more tips on SAM.gov registration, including designating points of contact for your organization, view our training video (https://ai.fmcsa.dot.gov/downloadFile.axd/Phase2_v3.zip/story_html5.html) and select **Registration Systems: Applying for a Grant** from the left navigation bar.

3 Register in grants.gov

Grants.gov is the government portal where your organization can find and apply for federal grant opportunities. Registering with grants.gov is the only way to apply for an FMCSA grant.

- Register on the grants.gov website (<https://www.grants.gov>).

- Registration in grants.gov can take **two to four weeks** and requires validation with SAM. That means your SAM registration must be complete before registering with grants.gov.

For more tips on grants.gov registration, including designating points of contact for your organization, view our training video (https://ai.fmcsa.dot.gov/downloadFile.axd/Phase2_v3.zip/story_html5.html) and select **Registration Systems: Applying for a Grant** from the left navigation bar.

Once you've completed the pre-application process, you're ready to begin assembling your application package.
