

## Traffic Enforcements by Month

This report presents a breakdown of traffic enforcement inspection activities by month for the selected year. The report can be filtered by fiscal or calendar years, carrier domicile, vehicle type, and violation type. Clicking on any column heading will sort the report by the selected column. By default, the report displays traffic enforcement inspection counts by month for the last 5 calendar years.

June 2020 – FMCSA has changed the way traffic enforcement inspections are counted. The methodology now includes violations in two **SMS BASICS**, some additional speeding violations not found in SMS, and inspection records flagged as traffic enforcements by the officer.
