

Traffic Enforcements Violations

This report presents a breakdown of violation counts by each violation in the Traffic Enforcement program for the selected year. The report can be filtered by fiscal or calendar year, carrier domicile, vehicle type, or violation type. Clicking on any column heading will sort the report by the selected column. By default, it displays the number of violations by category on all vehicle types for the last 5 calendar years.

June 2020 – FMCSA has changed the way traffic enforcement inspections are counted. The methodology now includes violations in two [SMS BASICS](#), some additional speeding violations not found in SMS, and inspection records flagged as traffic enforcements by the officer.
